32Inch Wall Mount Outdoor PC Window 10 I3 Terminal M Code+NFC Scanner/POS Space/80mm Thermal Printe

Panel Specification/Product Show		
Resolution	1920*1080	
Size	32inch	
Display area	708.954×398.592mm	
Glass	AR minus reflection glass 5 mm， light transmittance 97%， reflectivity is less than 3%, laminating,explosion-proof membrane surface	
Brightness	2000cd/m2, Brightness: has brightness sensor, auto-adjustment as per different daylight to lower power consumption, standard maximum 2000nits.	
Number of Color	16.7M	
Response time	8 (ms) approximately	
Contrast	1200：1	
View angle	178°/178°(H/V)	
Life Time	> 50000 (hours)	
Power Supply	AC 110V~240V,50/60HZ	
Electronic part	Electricity leaking protection, lightning protection	
Shell Material	Galvanized steel+outdoor power painting, anti-corrossion for more than 10years	
Heat Dissipation	Fan cooling system,, with fully intelligent temprature control technology	
Speaker	10W*2	
Rain Roof design	Optional	
Shell Material	Aluminum+Metal	
Color	White	
QR code scanner	Inbuilt attaced NFC	
Touch Type	10 points real PCAP Film touch screen	
Printer	80mm Thermal printer inbuilt	
Pos machine	From client	
Power Consumption	300W, Industrial-grade power board, brightness auto-adjustment to lower power consumption	
Photo formats	JPEG 、 BMP 、 GIF 、 PNG	
Audio formats	MP3、 WAV、 WMA	
Video formats	MP4、 AVI、 DIVX、 XVID、 VOB、 DAT、 MPG、 MPEG、RM、 RMVB、 MKV、 MOV、 HDMOV、 M4V、	
Normal Working Temperature	-40 to 55 Celsius degree	
Accessory	Power Cables, English Manual	
OSD Language	English, Chinese, French, German, Italian, Spanish,Arabic	
Hardware Configuration		
CPU	Intel i3 4005U dual core 1.7G	
Network connection	LAN, WIFI	
Memory	DDR3 4G	
SSD	128G	
The operating system	Beta Win10	
Interface	HDMI out*1,USB *4 ,LAN *1, VGA*1
